#under the revised concentration system (for 2020-21 Bulletin and after). For students following the original concentration system (applicable for 2019-20 Bulletin and before), please refer to the section “Curriculum For 2019-20 Bulletin and Before” on the [Programme webpage](#) to view the concentration grouping of individual elective courses

Remarks:

1. The above plan only shows courses currently known to be offered in AY2023 - 25. More courses may be offered in the end, subject to curriculum planning considerations
2. While students could plan their course selection with reference to the above plan, kindly be reminded of several potential constraints which would affect course selection e.g. quota availability of courses, time clash among courses intended to be selected
